

# SMSF AUDITOR OF THE YEAR

## AWARD SUMMARY

This accolade recognises an auditor who has shown outstanding proficiency, integrity, and dedication in their field. The Auditor of the Year will have demonstrated exceptional skill in providing accurate, insightful, and reliable audit services, contributing significantly to the financial transparency and trustworthiness of their clients. Recognising excellence in auditing:

- Minimum four years' experience in auditing.
- Adherence to auditing standards and ethics.
- Innovation and leadership in auditing practices.
- Candidates can self-nominate or be nominated.

## ELIGIBILITY

This award is open to all qualified auditors operating in Australia during the 2024 calendar year.

## ASSESSMENT CRITERIA

Submissions will be evaluated based on responses to the following criteria, with a maximum of 300 words per criteria:

- **Audit Practices:** State the type of audit work you perform and detail your experience, highlighting your adherence to auditing standards and ethics.
- **Technology Integration:** Explain how you have integrated technology into your work while ensuring human oversight and stringent management of clients and cases.
- **Revenue Growth:** Detail how you structured your work in 2024 to drive business revenue and ensure recurring clients.
- **Innovation and Leadership:** Highlight innovations and leadership in auditing practices that have positively impacted your business and the industry.

## BUSINESS METRICS

Provide metrics for the following periods:

- 1/1/2023 – 31/12/2023
- 1/1/2024 – 31/12/2024

Metrics to include:

- Total revenue under auditor's control
- Growth percentages of auditor's clients
- Auditor's client retention rates

Candidates are encouraged to provide specific examples, metrics, and supporting documentation where applicable.
